INSURANCE AGAINST FRAUD AND EMBEZZLEMENT.

The question of FRAUD by trusted Officials is so frequently brought into public prominence that the necessity of Employers holding adequate security on behalf of responsible persons whom they employ must be freely admitted. *It is the obvious duty of Members of School Boards, Parish and County Councils, Directors of Public Companies, Committees of Charitable Institutions, Friendly Societies, &c., to see that proper security is held on behalf of those whose funds they administer,* and the moral and financial safeguard of a Guarantee Policy issued by a good Office should commend itself.

The Premiums charged by THE NATIONAL GUARANTEE AND SURETYSHIP ASSOCIATION are based on the statistics of upwards of Forty Years experience, and a full Prospectus, containing an approximate table of rates for the various classes of risk, will be sent on application. Special quotations are given where a large amount of business is involved.

The Association is prepared to grant immediate security to ACCOUNTANTS, SOLICITORS, AND OTHERS, in connection with Court Appointments, and will give full particulars of the special facilities afforded on application.

Teas, Groceries, and Household Requisites.

THE Proprietors have pleasure in intimating that they have now made considerable additions to their premises, which will enable them to deal in the most satisfactory manner with the increasing dimensions of their Business. The distinct aim of their Business is to supply Families with GROCERIES, WINES, and SPIRITS at the lowest possible prices consistent with a high standard of quality. Knowing that a *cheap* article is not necessarily *good* value, but that, on the contrary, it may be very *poor* value at any price, they have to ask you not only to compare their prices with what is offered elsewhere, but, at the same time, to compare the quality of the Goods offered, feeling assured that the results will tell very much in their favour.

TEAS—A Speciality.

Particular attention is devoted to this Department. The TEAS are the finest imported, and blended under the personal supervision of an expert.

Prices: 1/4, 1/6, 1/8, 1/10, 2/-, and 2/2 per lb.

A Trial Order solicited.

GENERAL GROCERY GOODS, also PROVISIONS of the First Quality, at Lowest possible Cash Prices.

Shooting Lodges supplied with every requisite at Lowest London Prices.

TEA.

QUEEN'S GATE, INVERNESS.

GILLANDERS' TEAS have already made a name for themselves over the North of Scotland, *not by extravagant and untrue statements*, but by being what they are represented, viz., **Honest Value**, and value which we challenge any firm to beat.

And following up the motto, "**The Highlands for the Highlanders,**" we hope soon to see the day when there will not be a family in the North of Scotland who will think of sending their orders for the refreshing beverage further south than the **Capital of the Highlands** and towards accomplishing this object we invite you to send or call for samples of our

1/6, 1/8, 1/10 and 2/2 TEAS,

and are confident that all giving them a fair trial will be convinced of their merits. **All that is stipulated for is "Fair field and no favour."**
